# FIRST CALL

GOT TALENT ENERGY - COFUND FELLOWSHIP PROGRAMME

CALL: 2nd JULY (2018)

## Got Energy Talent

The **first call** of Got Energy Talent (GET) is open. GET's first call will finance **17 fellowships for experienced researchers to develop a 24-month stay**: 8/9 under the UAH and 8/9 under the URJC. The fellowships will provide the opportunity for **experienced researches** from around the world to spend two years at Madrid (Spain) to undertake an independent, interdisciplinary research project in the field of smart energy.

## APPLICANTS

**Applicants of all nationalities** are eligible to apply but must not have resided or carried out their main activity in Spain for more than 12 months in the 3 years immediately prior to the call deadline.

**Applicants** should also be in possession of a **PhD or 4 years equivalent of research experience**.

**Applicants** should propose a **comprehensive and innovative research project** in the field of Smart Energy and related areas, in an area that aligns with UAH/URJC's research lines.

**Applicants** must identify the **research line** where they want to be integrated, and get in touch with the research group, in order to get the necessary information to complete the application. All fellows will have an academic mentor and will be integrated in one of the host research groups at UAH/URJC.

**Call DEADLINE: 1st OCTOBER (2018), 12:00 SPANISH TIME**

## WORKING CONDITIONS

Fellows will be recruited under a **two-year full-time employment contract**.

The **monthly allowance** (12 months) will be €4,490.00\*. For those fellows who at the call deadline have family duties the monthly allowance will amount to €4,890.00\*.

Fellows will be provided with a **yearly contribution** of €4,200.00 towards the direct costs of conducting the research proposal.

\*These amounts correspond to the total amount before both employer contributions (economic rights and social costs) and employee contributions (fiscal obligations and social security and other taxes).
